

Venice Flying Club, Inc.

Come affordably fly the beautiful skies of South West Florida

From the Venice airport (KVNC) the Bahamas, Key West, Cedar Key and the Southern Appalachian Mountains are just a quick flight away. With a true 4 seater you can share the trip with friends and family.

Expenses: \$8500 Share Price (yours to sell in the future), \$115/Month Dues, \$96/Hour Wet. 10 Members with all expenses covered (fuel, insurance, hanger, annual, GPS subscriptions, maintenance, reserves and upgrade accounts).

The Cessna Skylane has a useful load of around 1100 lbs., cruises at 135Knots, and has a range of 5-6 hours. This is a true IFR certified, 4 Adult airplane to fly to the Keys, Bahamas, up north to the mountains or just around Florida to visit the hundreds of Florida airports and airstrips.

The club uses the AircraftClubs.com reservation system to schedule all flights and to alert the club of any squawks, maintenance, and time of next oil change/inspection. This makes it very easy to plan your trips and flying time.
